

# TEMPLE ONE DAY ACADEMY 2007-2008 MONDAYS

*"We offer a high quality, preparatory education, with degreed professional instructors, in a Christian setting, with the convenience of one day per week classes."*

## QUALITY FACULTY

Instructors are degreed and experienced. Most have experience in a public, private, or university setting, as well as the home school community. Many are pastors, pastor's wives, or former pastors. All are Christians who are active in their churches. Rigorous college-prep curriculum will be used in each class. Classes are kept small to allow teachers to work with students individually as it is needed.
